

NOTICE TO BIDDERS

Sealed proposal will be received by the Board of County Road Commissioners of the County of St. Clair, 21 Airport Drive, St. Clair, Michigan, 48079, addressed to the attention of the Secretary. These proposals must be in by 1:00 p.m., local prevailing time, Tuesday, March 25, 2008, for BULK ROCK SALT – C-C size Road Salt (all salt to be treated).

**Requirements – September 10, 2008 to May 13, 2009**

Proposals, bid forms and other information are available at the office of the Road Commission at the above address (810-364-5720). Proposals and specifications may also be obtained from the Road Commission Web Site at [www.sccrc-roads.org](http://www.sccrc-roads.org). It shall be the contractor's responsibility to print out the proposal in its entirety and submit the completed bid proposal to the Road Commission Office in a sealed envelope, plainly marked as to the name of the bidder and material bid by the time and date shown above. Bids failing to meet these requirements will not be considered. No proposal shall be accepted by e-mail. This is a public bid opening. Bid tabulations will be posted on our website.

The St. Clair County Road Commission affords equal contracting opportunities to all persons regardless of race, color, national origin, age, sex, handicap or political belief.

The Board reserves the right to reject any or all proposals, or to waive the defects and to accept the proposal or proposals which, in the opinion of the Board, are in the best interests of the County of St. Clair.

BOARD OF COUNTY ROAD COMMISSIONERS  
OF THE COUNTY OF ST. CLAIR

Timothy LaLonde, Chairman

ST. CLAIR COUNTY ROAD COMMISSION, MICHIGAN

SPECIFICATIONS FOR BULK ROCK SALT

C-C size Rock Salt. All salt to be treated.

Salt must meet the current Michigan Department of Transportation specifications; attached.

Source of material must be stated on Proposal Sheet. Indicate if material is in an existing stockpile and, if so, location of pile, period of time pile has existed and date mined or produced.

If material is in an existing pile, indicate type of cover protection and length of time material was under cover.

Supplier to submit one test per each two thousand (2,000) tons of material and/or certify that the material meets the requirements as set forth in the attached specifications.

Material to be accepted will be subject to County inspection, testing and approval. Please indicate earliest date and location for such.

**The St. Clair County Road Commission agrees to purchase a minimum of 70% of the quantity indicated and the contract will agree to furnish up to a maximum of 30% more than the quantity indicated.**

Price: Please indicate one of the following:

- A. (Preferred, only when all other factors are equal.)  
These prices are not subject to increase but will be subject to the price reductions made by the bidder to the general trade at the time of delivery.
- B. These prices are FIRM for the contract period.

**Requirements – September 10, 2008 to May 13, 2009**

PLEASE QUOTE ON THE FOLLOWING:

F.O.B. delivered as required by truck transport to the following St. Clair County Road Commission locations:

Central Service Center	–	8,200 tons
21 Airport Drive St. Clair, MI 48079		
Avoca Warehouse	–	2,600 tons
8794 Avoca Road Avoca, MI 48006		
Capac Warehouse	–	3,000 tons
212 Matteson Street Capac, MI 48014		
Marine City Lower Yard	–	3,000 tons
1769 South Parker Street Marine City, MI 48039		

In computing bid price, consider the County exempt from all state sales tax and most federal excise taxes.

BOARD OF COUNTY ROAD COMMISSIONERS  
COUNTY OF ST. CLAIR  
Kirk D. Weston, Managing Director

All Bid Proposals must be on forms furnished by St. Clair County Road Commission, which are attached.

SPECIFICATION FOR SODIUM CHLORIDE

8.20 (7) P.O.

DESCRIPTION:

These specifications cover salt, bulk rock, sodium chloride to be used for ice and snow removal and control.

GENERAL REQUIREMENTS:

The material shall be in accordance with the current specifications for Sodium Chloride, ASTM D 632, except as modified below.

CHEMICAL COMPOSITION:

Sodium Chloride (NaCl), Minimum, percent. . . . . 95.0 %

GRADATION:

<u>SIEVE SIZE</u>	<u>PERCENT PASSING</u>
1/2 inch	100%
3/8 inch	95 – 100%
No. 4	82% maximum
No. 8	50% maximum
*No. 30	10% maximum

\*Material passing the No. 30 sieve in excess of 10% will be deducted from the delivered weight of the salt.

MOISTURE CONTENT:

Material with moisture content in excess of 1.5% will be deducted from the delivered weight of the salt.

ACCEPTANCE OF MATERIAL:

The producer shall provide Type “D” certification, as defined in the Michigan Department of Transportation General Materials Certification, that the material furnished meets the requirements of these specifications for sodium chloride. The St. Clair County Road Commission reserves the right to sample and test the material on a random basis at the point of final delivery. Material contamination from foreign debris or frozen lumps of salt may be cause for immediate rejection at the point of delivery. These tests shall be for the purpose of determining acceptance, rejection, and/or adjustment in delivered weight.

**BID DATE: March 25, 2008**

**PROPOSAL FOR BULK ROCK SALT**

This bid by mutual agreement of both parties may be extended for additional one-year periods, each year hereafter, but not to exceed a maximum of two additional years.

In strict accordance with your specifications, we submit the following prices for Bulk Rock Salt, Sodium Chloride.

Price Protection: Please sign under the option you are quoting.

- A. (Preferred, only when all other factors are equal.)  
These prices are not subject to increase but will be subject to the price reductions made by the bidder to the general trade at the time of delivery.
