

INSTRUCTIONS TO BIDDERS: This Proposal shall be legibly prepared with ink. UNIT PRICES, and LUMP SUM BIDS when called for on the itemized bid sheet, shall be entered with ink, in the Unit Price column. The unit prices as stated will govern in determining the correct total of bid. If a unit price already entered by the bidder on the bid sheet is to be altered, it shall be crossed out with ink, the new unit price entered above or below it and initialed by the bidder, also with ink. Proposals with any unit price prepared with pencil or omitted will be rejected. Failure to fill in the extensions and the total may invalidate the Proposal.

Signatures must comply with section 102.05 and 102.06 of the current Standard Specifications for Construction of the Michigan Department of Transportation to which attention is particularly directed.

BOARD OF COUNTY ROAD COMMISSIONERS
OF THE COUNTY OF ST. CLAIR

PROPOSAL
FOR

NEW FUELING FACILITY AT CAPAC WAREHOUSE

BIDS WILL BE OPENED AT 1:00 p.m., local prevailing time, WEDNESDAY, FEBRUARY 13, 2019

TO: Board of County Road Commissioners
of the County of St. Clair
21 Airport Drive
St. Clair, MI 48079

Sirs: The undersigned has examined the plans, specifications and the location of the work described herein and is fully informed as to the nature of the work and the conditions relating to its performance and understands that the quantities shown are approximate only and are subject to either increase or decrease.

The undersigned hereby proposes to furnish all necessary labor, machinery, tools, apparatus and other means of construction, do all the work, furnish all the materials except as otherwise specified herein, and, for the unit prices named in the itemized bid, to complete the work herein described in strict accordance with the plans therefore and in strict conformity with the requirements of the current Standard Specifications for Construction of the Michigan Department of Transportation and such other special provisions and supplemental specifications as may be a part of this proposal.

The undersigned further proposes to do such extra work as may be authorized by the Road Commission, prices for which are not included in the itemized bid. Compensation shall be made on the basis agreed upon before such extra work is begun.

The contractor is to complete and submit the attached BIDDER INFORMATION SHEET and the SUMMARY OF EXPERIENCE as part of their proposal to be an eligible bidder. If the contractor has two (2) or more years of experience with the St. Clair County Road Commission, they may omit this requirement.

GENERAL

All work under this contract shall conform to the Michigan Department of Transportation's current Standard Specifications for Construction.

PROTECTION AND RESTORATION OF PROPERTY

The contractor shall restore, at their own expense, any public or private property damaged or injured in consequence of any act or omission on their part or on the part of their employees or agents to a condition similar and equal to that existing before such damage or injury was done. If the contractor neglects to repair or make restorations the Managing Director may, after 48 hours notice to the contractor, proceed to make such repairs or restorations and will deduct the cost thereof from any monies that are or may become due to the contractor.

CONTRACTOR'S RESPONSIBILITY FOR WORK

The contractor shall be responsible for any and all damages that the work may sustain prior to its acceptance and shall rebuild, repair, restore and make good, at their own expense, all injuries and damages to any portion of the work by the action of the elements or from any cause whatsoever prior to its acceptance.

UTILITIES

It shall be the responsibility of the contractor to protect utilities at all times which are shown on the plans, designated by the engineer or encountered during the contract.

The contractor shall notify the owners of the utilities as to their starting date of construction, and the contractor shall conduct their operations so as to interfere as little as possible with utilities or any public authority on or near the work.

FAIR EMPLOYMENT PRACTICES

The contractor agrees that they will not discriminate against any employee or applicant for employment, to be employed in the performance of this contract with respect to their hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment because of their age, except when based on a bona fide occupation qualification, or because of their race, color, religion, national origin, ancestry, sex, weight, marital status, veteran status or handicap unrelated to the ability to perform the duties of a particular job. (Act. No. 251 P.A. 1955, as amended).

CONTRACT BONDS

The successful bidder shall furnish a satisfactory performance bond. The bond shall be on the form provided by the Road Commission and the requirements specified in the laws of Michigan.

COMPLETION DATE

Completion date for all items of work listed in this proposal is August 31, 2019.

MEASUREMENTS AND PAYMENTS

Payment for Idle Equipment and Labor

In the event that machinery or equipment is idled due to the failure of the Road Commission to properly provide for the contractor to proceed with the performance of the work in accordance with the terms of the contract, payment WILL NOT be allowed on a rental basis of the idle equipment.

In the event that labor is idled due to the failure of the Road Commission to properly provide for the contractor to proceed with the performance of the work within the terms of their contract, payment WILL NOT be allowed.

DAMAGE LIABILITY AND INSURANCE

The Contractor shall hold harmless and indemnify the St. Clair County Road Commission, its Commissioners, officers, directors, employees and agents against all claims for damage to public or private property and for injuries to persons arising out of and/or during the work contemplated by the contract to be executed.

The contractor shall, prior to execution of the contract, file with the Road Commission a certificate that they carry Worker's Compensation Insurance which the Contractor will keep in force for the duration of the contract.

The Contractor, prior to execution of the contract, shall file with the Road Commission copies of completed certificates of insurance, as evidence that they carry adequate insurance satisfactory to the Road Commission, to afford protection against all claims for damages to public or private property, and injuries to persons arising out of the work, and where specified in the proposal, similar insurance to protect the owner of premises on or near where construction operations are to be performed.

All insurance policies and certificates must name the St. Clair County Road Commission, its Commissioners, officers, directors, employees and agents as additional insured. A blanket additional insured endorsement must be attached (which may also include the Contractor's Xtend endorsement).

All insurance policies must also include an endorsement providing 30 days prior written notice to the Road Commission of cancellation, termination, nonrenewal or reduction of coverage. The Contractor shall cease operation on the occurrence of any such cancellation, termination, nonrenewal or reduction of coverage, and shall not resume operations until new insurance is in force.

General Liability

Unless otherwise specifically required by special provisions in the proposal, the minimum limits of property damage and bodily injury liability covering each contract shall be:
