PRESS RELEASE

FOR IMMEDIATE RELEASE

DATE: 03/11/2019

FOR INFORMATION, CONTACT: Dewayne A. Rogers (810) 434-7212

Anchor Bay Drive over Unnamed Canal in Clay Twp. is scheduled to begin April 1, 2019.

Construction to replace the Anchor Bay Drive bridge over Unnamed Canal with a new superstructure is scheduled to begin on **April 1, 2019**.

Work will include removing the existing bridge deck, concrete box beams, and guardrail and replacing it with new galvanized steel tube girders with a precast concrete bridge deck, bridge approach work and new guardrail.

The project will occur under a **single lane closure** of Anchor Bay Drive until **May 17, 2019** to permit the replacement of the existing bridge superstructure. The single lane closure will be permanent from April 1st to May 17th. Anchor Bay Drive lanes will be closed approximately 150 feet either side of the second bridge off M-29. Temporary traffic signals will be used to maintain traffic.

Access will be maintained to local traffic within the construction and closure zone, including homes and businesses, during the intermittent lane closures. Local residents and emergency vehicles will have access to local properties throughout the entire project. Local residents are encouraged to plan for delays due to construction. We request your cooperation and patience.

This project is financed by the St. Clair County Road Commission at a total estimated cost for construction of \$260,000.00. The work will be performed by the St. Clair County Road Commission.
