

POLICY NO. 10  
BOARD OF COUNTY ROAD COMMISSIONERS  
OF THE  
COUNTY OF ST. CLAIR

SUBJECT: Policy change – “costs under construction” – Culverts

ADOPTED BY BOARD OF COUNTY ROAD COMMISSIONERS: July 24, 1979

On all primary construction projects currently in progress and any future primary construction projects, the Road Commission shall replace at no cost to the property owner a suitable driveway culvert, provided that the existing driveway culvert is 12” or larger in diameter and is constructed from a material that meets current specifications. If the existing culvert is under 12” in diameter, or is not made of material that meets current specifications, the property owner shall be required to pay for a new culvert meeting all current specifications. The price for the new culvert shall be at the current “cost under construction” price schedule.
